

## FROM THE CLERGY

Dearly Beloved,

It is a joy to introduce you all to a wonderful new ministry of the St. Seraphim Cathedral Men's Group - The 90:17 Project.

Through this ministry the Men's Group will offer "the work of our hands" to help Cathedral members in need of simple handyman projects and cleanup jobs around their homes.

This effort is one way that the Cathedral Parish Council and Ministry Groups are implementing the vision and direction of His Beatitude, Metropolitan Jonah to "build community" here at St. Seraphim's.

On behalf of His Beatitude, Metropolitan Jonah, I fully endorse this 90:17 Project and pray that the Lord will bless "the work of our hands and establish thou it."

Archpriest Joseph Fester, Dean  
St Seraphim Cathedral

AND LET THE BEAUTY OF THE LORD  
OUR GOD BE UPON US: AND ESTABLISH  
THOU THE WORK OF OUR HANDS UPON  
US; YEA, THE WORK OF OUR HANDS  
ESTABLISH THOU IT. (PS 90:17 KJV)

## WHAT YOU DO

We ask that you provide for the purchase of all necessary materials to complete the agreed upon work. If you have the means to have the required materials ready for us prior to our arrival, that will be wonderful. If not, we will purchase what is needed, provide you with the receipt(s) and you will reimburse us for those expenses.

A cup of coffee, a cold drink, and your prayers would certainly be appreciated.

Scheduling the SSOC Men's Group to do work at your home is easy. Please complete the form on the panel of this hand out, or call or email Joseph Wynn directly.

Joseph will discuss with you the work you need done and schedule a pre-work walk-through with you to review the work. Once all work is confirmed and agreed, your work day will be scheduled for the next available opening.

## WORK WE DO
